

# Back-to-College Questionnaire

## 7 questions to ask yourself as you head back to school.

There's a lot that goes into back-to-school planning. It can be overwhelming, especially if you're returning to campus. To set yourself up for success, sometimes all you need is a bit of time for reflection. Start by answering these 7 questions.

### Question 1

**Do I feel comfortable with my school's flexibility around in-person attendance or virtual learning?**

**TIP** Talk with your school's health center and your cystic fibrosis (CF) care team if you need to create a more specialized plan.

---

---

### Question 2

**Do my teachers know about CF?**

**TIP** Consider talking with them about CF at the beginning of each semester to help set expectations. Download the [CF Letter for School Accommodations](#).

---

---

---

### Question 3

**Have I considered how to set aside some "me time"?**

**TIP** It could be as simple as blocking off a set time each day to unwind.

---

---

**Question 5**

**How will I stay on track with my treatments when school gets busy?**

**TIP** Setting up calendar reminders is a great place to start.

---

---

---

**Question 6**

**What are my goals for this semester?**

**TIP** Start by jotting down what you want to accomplish this school year, academically or otherwise.

---

---

---

**Question 7**

**How will I work to maintain a healthy mindset?**

**TIP** Consider creating a support team and encourage them to check in often. Hearing from friends and family can go a long way.
